The Respite Review

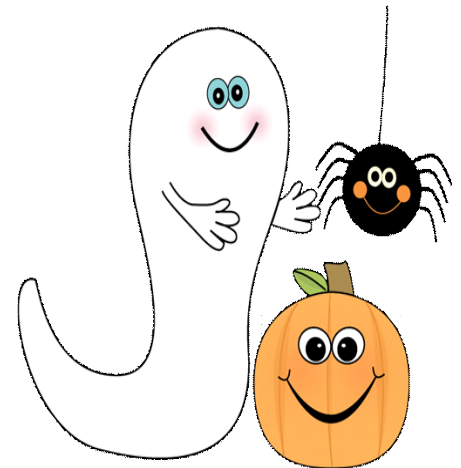

Quality Respite and Home Care, Inc.

We are pleased to announce that we will be doing our annual Halloween Spooktacular event!! This year we will be doing a drive thru event for our families!!!

Drive Thru Event will be held on Saturday,

October 25, 2025 from 11am-2pm :)

We do ask that you email or call us at the office to RSVP, so we know you will be attending and how many children/kids/adults, will be attending so we can ensure everyone is able to receive a goodie bag!

Just a note that if you're scheduling for the weekend before Halloween (it's generally pretty busy) or Halloween night, the faster we get requests in, the faster we can let you know if we can staff your visit! :)

Office News!!

We are always hiring, so hopefully we are able to handle more requests. Just please remember life does happen and sometimes there are car accidents or buses run late and although we would love for our caregivers to be immune to all illnesses, they do sometimes get sick... when a visit is very important to you, its always a good idea to have a back up in mind just in case! :)

We are still receiving emails to the old email addresses. If you have any of our emails in your contacts or history so it automatically pulls us up under the qualityrespiteandhomecareinc.com emails—those are being discontinued as of December 31st, so please, please update them to the following emails so we don't miss anything from you:

Christine@QRHCinc.com = Christine

Admin@QRHCinc.com = Paola

Info@QRHCinc.com = Patricia

Kerry@QRHCinc.com = Kerry

Admin2@QRHCinc.com = Danette

We would love to hear from you :)

Kerry's Korner :)

We would like to ensure everyone understands their Purchase of Service's (POS) from San Andreas Regional Center (SARC). If you have a POS that states it is Quarterly Hours or Total hours, what that means is that the hours they have authorized you to use for your respite hours are to be used as you need throughout a specific time period. For Example, if the POS starts 1/1/25 and ends in 6/30/2025 then you would have for example, 72 hours to be used in each quarter.

SARC's Quarters are as follows:

January—March, April—June, July—September and October—December

They do not vary from these quarters. Some families have a per month POS which means your hours are good for each month only and do not rollover into the next month if you didn't use them.

Since school is back in session and the weather will be changing, we wanted to remind everyone that if your child is coming down with a cold or flu, please be sure to cancel the visit as soon as you feel they are sick. We also encourage our caregivers to do the same, as we don't want to have a circle of sickness.

As always, we would like to remind everyone that should you have someone that you feel can assist with your hours, a friend, family member, previous aide from school. We can hire them to be your caregiver! Just give us a call at the office to go over the specifics ;)

If we have mailed you a shift report that was missing your signature, if you would be so kind as to sign it and mail it back in the envelope we provided for you, we would greatly appreciate that! :) Helps us keep the caregivers payroll processed in a timely manner :)
